This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the South Carolina Telephone Coalition (SCTC or the Coalition) for an extension of time in which to file briefs in this matter. Subsequent to the hearing in this matter, briefs were due on June 21, 1996. It now appears that transcripts will not be ready in time for the parties to consult them in preparation of a brief in this matter by June 21, 1996. SCTC therefore requests that briefs be filed in this Docket twenty (20) days from its receipt of the transcript or July 8, 1996, whichever is later. SCTC has agreed that it will be responsible for notifying the parties of the date it receive its copy of the transcript, so that the 20 (twenty) days may be measured from that date.

The Commission has examined this matter and believes that the Motion of SCTC is appropriate. It is therefore granted. Briefs shall therefore be due twenty (20) days from the date of

availability of the transcript in this matter or July 8, 1996, whichever is later. SCTC shall be responsible for notifying the parties of when it receive its transcript, so that the due date shall be measured from the date of the receipt of the transcript by SCTC.

This Order shall remain in full force and effect until further Order of the Commission.
